### Gregg County Auto Auction (GCAA) Terms and Conditions

1. This is a **Dealer's** auction. All Dealers must be approved and registered before buying vehicles.
2. Auction ID cards and bidder badges must be used at all times. All dealers are responsible for their own cards. Written notice from an authorized representative must be received to terminate a buyer/agent. Dealers are responsible for the conduct of their representatives and guests. Children less than 12 years of age are not allowed anywhere on auction property except in the guest lounge due to safety concerns.
3. All vehicles offered for sale are subject to inspection by state and local authorities, FBI, and national Auto Theft Bureau.
4. All attempts have been made to give correct listing and information of vehicles offered for sale on behalf of selling dealerships. Sales sheets listing dealership's vehicles entered in sales will be available prior to sale. It is the sole responsibility of the buyer to be aware of selling description, announcements, examination of vehicles and to accept vehicles present description. Any and all information written on vehicle's windshields and windows, including but not limited to mileage, year model, and or odometer condition, is for convenience only and the auction is not responsible for its accuracy; it is the buyer's sole responsibility to verify such information.
5. Selling Descriptions:
  - a. **"As-Is"** – without mechanical guarantee of any kind (including year and/or frame condition). All vehicles selling for \$1,500 or less are automatically "As-Is" regardless of any announcements to the contrary from the auction block or otherwise.
    - i. All vehicles announced as repossessed are "As-Is".
    - ii. All New car trades are "As-Is" unless announced differently by the seller representing the vehicles.
  - b. **"Ride and Drive"** – guarantees engine, transmission, and drive axle with the exception of announced defects or conditions; however, in no event will conditions which, in the sole opinion of the arbitrator, may be corrected for \$300 or less be arbitrated. Any announced condition regarding a component of a vehicle render that entire component not eligible for arbitration (*i.e: Announcement that a transmission slips going into 4<sup>th</sup> gear means the entire transmission is not arbitratable.*)
  - c. Any guarantees announced by sellers representing vehicles which are over and above those contained in these "Terms and Conditions" are strictly between Buyer and Seller. Gregg County Auto Auction shall not be bound by such announcements and Buyers and Sellers will be required to pay all buy and sales fees associated with such transactions whether said transaction is completed or not.
6. The following vehicles must be announced at time of sale:
  - a. Reconditioned Titles
  - b. Salvage Titles
  - c. Frame Altered or Frame Damaged Vehicles
  - d. Flood Damaged Vehicles
  - e. Total Rebuilds
  - f. **Broken Odometers**
  - g. Failure to make the appropriate announcement will subject the vehicle to arbitration.
7. **Arbitration:** (Failure to request arbitration within the required times automatically converts the vehicle to "As-Is")
  - a. Arbitration must be begun no later than 1 hour after the vehicle is sold on the block as evidenced by the sale time on the block ticket.
  - b. "Ride and Drive" vehicles purchased on an "If" or "With a call" must be arbitrated within 1 hour after the vehicle is sold as evidenced by the sale time on the block ticket. Failure to submit vehicle to arbitration within this time frame forfeits any right to arbitration.
  - c. In no event will conditions which, in the sole opinion of the arbitrator, may be corrected for \$300 or less be arbitrated.
  - d. Undisclosed Frame Damage is subject to arbitration no later than 72 hours after sale across the block. Vehicles returned for undisclosed frame damage must be electronically measured by a certified body shop and a written report submitted to the arbitrator. The expense of such measurement shall be paid by the party who loses the arbitration.
  - e. The decision of the arbitrator is final and binding on both buyer and seller.
8. **Miles Announced:** (are announced on behalf of selling dealerships -- Gregg County Auto Auction is not responsible for odometer declarations)
  - a. Actual Miles – miles not exceeding 99,999
  - b. Over – miles exceeding 99,999
  - c. Exceeds Mechanical Limits – mileages exceeds the mechanical limits of the odometer and are not guaranteed.
  - d. Exempt – vehicle ten years old as of January 1<sup>st</sup> of the current year are exempt from an odometer statement, however, broken odometers which do not register mileage must be announced as "True Miles Unknown"
  - e. TMU -- (true mileage unknown) no guarantee of mileage
9. **"IF" Deals ("Will Calls"):** - Vehicles auctioned from the block which do not meet minimum reserved prices may, at the sole discretion of GCAA be placed on "IF Deals" ("Will Call"). The following rules apply to "IF Deals" ("Will Calls"):

- a. If the vehicle was sold with a "Ride and Drive", Buyer shall have one hour after the sale time noted on the block ticket to perform his inspection and/or test drive and submit the vehicle to arbitration, if desired. Failure to submit the vehicle to arbitration within this time frame forfeits Buyer's right to arbitration and the vehicle becomes "As-Is".
  - b. GCAA will make every effort to contact Sellers and Buyers on "IF Deals"("Will Calls"), resolve as many as possible, and notify the Buyer on the sale date. When this is not possible, the sale of the vehicle remains binding upon the Buyer until 12:00 noon on the day following the sale. After 12:00 noon, if Seller has not accepted Buyer's offer, Buyer shall have the option of completing the sale or canceling the offer.
  - c. GCAA will make every effort to contact Buyers whose offers are accepted on "IF Deals" ("Will Calls"), however, it is the Buyer's sole responsibility to contact GCAA to determine whether Buyer's offer was accepted.
10. Gregg County Auto Auction assumes no liability for those attending auction and all attending are urged to use caution at all times, especially while vehicles are being moved. Additionally, Gregg County Auto Auction is not liable for any damage caused to vehicles by theft, fire, conversion, collision, vandalism, and/or all acts of God.   11. Vehicles left on Gregg County Auto Auction property are at the sole risk and liability of the seller, prior to sale across the block, and thereafter of the buyer if the vehicle is sold, or of the seller if the vehicle did not sell. Vehicles should be removed within 24 hours after the sale. Vehicles remaining more than 3 days after the conclusion of the sale which are not entered in the next sale are subject to towing and storage fees.
  12. In accordance with Texas Transportation Code 520.031, sellers are allowed 20 working days after sale to produce a valid title. After 20 working days, excluding the day the vehicle was sold, buying dealer may contact the auction in writing of its intent to return the vehicle if title is not produced. Auction shall have 7 working days after receipt of such notice to produce title or buyer will be allowed to return vehicle and cancel sale. Seller shall be liable for sales fees on such transactions. When sellers announce "Possible Slow Title" prior to the car being sold, the 20 working day period shall be increased to 45 working days. Sellers shall be responsible for transportation costs both ways on vehicles returned due to inability to produce a title. Buyers are cautioned not to sell or incur expenses on any vehicle purchased prior to receipt of title as Gregg County Auto Auction will not incur any liability to reimburse buying dealer.
  13. Buyer agrees to pay for all vehicles purchased at time of sale in cash or by draft or check if approved by GCAA for payment by draft or check. Method of payment is subject to approval solely by GCAA.
  14. All sales are recorded on audiotape and/or videotape and reviewed in the event of a dispute. The auctioneer's decision will be final in any dispute. Upon removal of a vehicle from the sale or when 24 hours have elapsed from the time of sale as evidenced by the block ticket, no recourse is available.
  15. The minimum advance bidding increment is \$25 up to \$1,000 ask price and \$50 minimum advance thereafter.
  16. Gregg County Auto Auction must be notified in writing, in advance, of Buyer's intent to return vehicle being returned for any reason. Buyer shall be required to obtain GCAA's approval of such return, in writing, prior to returning any vehicle. If GCAA approves a return, Buyer will be solely responsible for all costs and fees associated with the vehicle and its return unless otherwise notified and approved by GCAA in writing.
  17. All checks and drafts shall be honored without protest. If any check or draft is returned unpaid for any reason whatsoever, other than title correction, a returned item fee of \$200 will be charged.
  18. Gregg County Auto Auction publishes, from time to time, additional Rules and Policies governing the operation of its automobile auction. Such Rules and Policies are also subject to change without notice. Acceptance of these terms and conditions also constitutes acceptance of those rules.
  19. Gregg County Auto Auction may amend these terms and conditions at any time without notice. Continuing to buy or sell at Gregg County Auto Auction shall constitute acceptance of such changed terms and conditions whether or not a new written copy is signed.

**By Signing this form, and/or entering vehicles for sale and/or purchasing vehicles from GCAA auctions, you agree to accept the above Terms and Conditions.**
